

## **Cunningham Memorial Archive**

The A H W Cunningham Memorial Home in Bowen was founded by the Scartwater Trust in 1961. Since then the home has provided accommodation for aged ex-service personnel. These records give an almost complete history of the home's operations from 1962 to 1992. Also included are ledgers from the Scartwater Station (1952 to 1979) which funded the home.

This collection could usefully be read in conjunction with the Scartwater Trust Archive at 172 to 173.
