

Geology Department Maps Archive

This archive consists of topographical maps of the North Queensland Region from the 1940's and 1960s. These are all well-preserved fold-out colour maps housed in canvas covers. Each one is stamped 'Geology Dept./University Townsville'. Some of the maps, such as the Dalrymple and Charters Towers Maps from 1942, are "Emergency Editions" labelled in bold red type: "This map is an official document. If found, it must be handed in to the nearest military headquarters or police station".

Archive Location: 458L
